## About THE GRUBBERY

It's not a franchise, and it's not a chain, it's just The Grubbery, the first one, and Rich & Breanna want to make it the best part of your day.

Breanna's family have been in the bakery and deli business locally for more than 25 years, and Rich grew up in Boston where a real deli sandwich is a part of the culture. Rich & Breanna, who met at one of the family bakeries, like to say: "No one loves delis and sandwiches more than we do". They have sampled sandwiches at delis just about everywhere. Cheese steak shops in Philly, meatball subs in the North end of Boston, giant Reubens in Chicago, the great Jewish delis in L.A., and a whole lot in between. With their seasoned Palate, and their love for what they consider to be the best thing since the invention of the wheel, the deli sandwich, Rich and Breanna decided to open a little sandwich shop they proudly call The Grubbery.

Located in the heart of cozy Sabre Springs sits a quaint little shop where locals come to enjoy our wide variety of hot pressed, cold, and Philly style steak sandwiches prepared on genuine Amorosso rolls. We also have a variety of fresh salads made to order.

If you're an early bird, we're told you can smell the fresh made donuts, croissants, and gourmet coffee 3 blocks away. Our beverages consist of refreshing real fruit smoothies and frozen coffee drinks. And, if you enjoy art, you will find wonderful pieces presented by local talented artists displayed on our walls.

We think you'll find The Grubbery is as fun and unique as it's name, and we are certain you will love our sandwiches. Thanks for coming in, and please offer us your feedback and suggestions so that we can make your repeated visits to The Grubbery one of the best times of your day.
